

# System 11-11

## Powerman 5000

There's a system to the system  
I don't fit in the system  
Go, yeah go but don't expect me to miss ya  
Tryin' to find a hole in the bottom of the soulless  
Thinkin' about the world from the edge you can't control this  
Now what the fuck are you?  
Some kind of half-assed astronaut?  
Just a moment please I must insist that you stop  
Just a moment please I must insist that you...
