

Fallen Angels

Black Veil Brides

Scream, shout
Scream, shout
We are the fallen angels We are the in between
Cast down as sons of war
Struck to the earth like lightning
On this world we're torn We won't cause the pain
Of living out their law
Take joy in who you are
We know our wings are flawed We're bored to death in heaven
And down alone in hell
We only want to be ourselves We scream, we shout
We are the fallen angels
We scream, we shout, woah, woah
To those who sing alone
No need to feel this sorrow
We scream, we shout, woah
We are the fallen angels We follow the morning star
A light where darkness trailed
The passion left unholy
Now you find yourself We have nowhere to go
No one to wish us well
A cry to find our home
Our stories they will tell We're bored to death in heaven
And down alone in hell
We only want to be ourselves We scream, we shout
We are the fallen angels
We scream, we shout, woah, woah
To those who sing alone
No need to feel this sorrow
We scream, we shout, woah
We are the fallen angels Scream, shout
We are the fallen angels
Scream, shout, woah, woah We scream, we shout
We are the fallen angels
We scream, we shout, woah, woah
To those who sing alone
No need to feel this sorrow
We scream, we shout, woah
We are the fallen angels We scream, we shout

We are the fallen angels
We scream, we shout, woah, woah, woah
We shout, woah
We are the fallen angels
