Sleep Alone

Froth

Yeah
Read instructions to your life
A heavy book provoking lies
It all seems fineNow
You're dedicated to the cause
You pay the offering, applaud
But you don't mindI don't know why he only sees black and whiteStill
He turns his pockets and he smiles
They've been acquainted for a while
Because she knows
Oh yeah, she knows
I don't mindI don't know why I seem to make myself trySoon
The money's gone but it's the same
She felt resentment, it remains
She sleeps alone
She sleeps alone
I don't mindWalking through life and leaving fiction behind
