

Emotional Love

Luther Vandross

I think love should be heaven sent
I can't love you just to pay your rent
Heart to heart is the way it should be
You've got to love with devotion to emotion
Don't hold back, talk to me, let it go
Cry on my shoulder honey, don't you know that?
If it's going to be an
Emotional love
Then it's got to start with an
Emotional heart
No I can't deny I'm an
Emotional guy
So I search the world for the
Emotional girl
Happy to be the love of your life
Some guys want you for only one night
