You're God

Newfound Road

V1
A song from my lips I give to You, Lord,
but the praise You deserve comes from the heart.
How can just a man bring You glory
when You know that I'm a sinner from the start?
So, peacefully I rest in Your forgiveness,
laying all my sin and cares beneath Your cross,
relying on Your grace for my existence,
knowing it was for me You paid it all.

CH
You're my Lord, You're my friend,
The beginning and the end, You're God.

V2
Thank You, Lord, for all your tender mercies
You've not dealt with me according to my sin.
Like a father who shows pity on his children,
You pitied this lost child and took me in.
How can I repay this debt of mercy?
There's no price for all the love You've given me.
All that I can offer is this living sacrifice.
Lord, help me give my very best to thee.

CH
You're my Lord, You're my friend,
the beginning and the end, You're God
