All Dried Up

Phantogram

All dried up
in the morning light
realize my love is gone
tell me that you're fine
are you staying warm
can you show me a sign
without your bodyI can't feel my my love anymore
I can't feel my legs anymore
but I'm still walking
I can't feel my love anymore
I can't feel my legs anymore
but I'm still running
I'm still running
last night I had a dream
that the sky would part
and you'd come for me
can you keep me waiting
until the sun goes down
I am dying here
without my body
I can't feel my love anymore
I can't feel my legs anymore
but I'm still walking
I can't feel my love anymore
I can't feel my legs anymore
but I'm still runningI'm still running
