

# Sexy Eyes

## Sugar Hill & Wasabi

Sexy eyes, they're so lovely  
Sexy eyes, make me wanna love ya  
Sexy eyes, girl, you're lookin' way cool tonight, ooh  
Da da da da da, ya know I got the cognac  
Da da da da da, and the phat bomb sack  
Da da da da da, your sexy eyes got me hypnotized  
Lady, come and take a ride with me  
Shorty, do you know the time? All I wanna do is vibe  
Put you on the suga rise, smilin' wit your pearly whites  
Sexy eyes, sexy waist, sexy each and every day  
When I put this thang up on ya, sexy mama wanna marry me  
But hold up now, we just met, let me see how long you keep it wet  
Hold it steady, already, baby girl, we done did dat  
It's like a stairway to paradise when I look into your eyes  
Mama very nice, and we can do all type of thangs  
Rollin' in them whips and I like to swang  
You know it's nothing to a trilla though your sexy eyes are so spiritual  
Sexy eyes, they're so lovely  
Sexy eyes, make me wanna love ya  
Sexy eyes, girl you're lookin' way cool tonight, ooh  
Da da da da da, ya know I got the cognac  
Da da da da da, and the phat bomb sack  
Da da da da da, your sexy eyes got me hypnotized  
Lady, come and take a ride with me  
The steelo so kamikaze, shrinin' like Liberachy  
Spendin' like Burberry, me Issey Miyake  
It's goin' down like gravity, yo baby, daddy mad at me  
And I throw these things so handley  
Cop me an assault and battery  
She still wanna love me like a Playboy bunny  
Lookin' like warm hunny, so classy and stunning  
Faithfully, she waits for me, like the real ones really do  
So gracefully she's made for me and you know that's on the cool  
Girl, get your shine on like a candle in the wind  
Gotta keep my mind strong when I'm hammerin' within  
And one look is all it took, incredible thighs  
And one look is all it took, incredible eyes  
Sexy eyes, they're so lovely  
Sexy eyes, make me wanna love ya

Sexy eyes, girl, you're lookin' way cool tonight, ooh  
Da da da da da, ya know I got the cognac  
Da da da da da, and the phat bomb sack  
Da da da da da, your sexy eyes got me hypnotized  
Lady, come and take a ride with me  
Time don't wait for love and life don't wait for a break in the weather  
It's time for me and you to hook up, let's get this thing together, ooh  
Time don't wait for love and life don't wait for a break in the weather  
It's time for me and you to hook up, let's get this thing together  
Sexy eyes, they're so lovely  
Sexy eyes, make me wanna love ya  
Sexy eyes, girl, you're lookin' way cool tonight, ooh  
Da da da da da, ya know I got the cognac  
Da da da da da, and the phat bomb sack  
Da da da da da, your sexy eyes got me hypnotized  
Lady, come and take a ride with me  
Sexy eyes, they're so lovely  
Sexy eyes, make me wanna love ya  
Sexy eyes, girl, you're lookin' way cool tonight, ooh  
Da da da da da, ya know I got the cognac  
Da da da da da, and the phat bomb sack  
Da da da da da, your sexy eyes got me hypnotized  
Lady, come and take a ride with me  
Lady, come and take a ride with me  
Lady, come and take a ride with me
