

# Impale the Soul...

## Nunslaughter

Mangled thoughts and twisted visions  
Of blasphemies upon this earth  
Rotting Christ of new religions  
Spawned from fire to destroy the earth  
Procreation of new being  
Destined thoughts in our minds  
Gods fall and death we are seeing  
False religion left behind  
Impale the Soul of Christ  
on the Inverted Cross of Death  
Holy Mary burnt to death  
Decaying Jesus of the weak  
Churches fall to waste and ruin  
Knowledge of death is what they seek  
Christian death blackened being  
Satanic reign God is fleeing  
Stabbing dagger blood starts  
Tattered entrails pumping heart  
Impale the Soul of Christ  
on the Inverted Cross of Death
