Senorita

US5

Everybodys in the club tonight
i'm lookin out for something that i like
A cutie pie to fill my appetite
i'm feelin like i wanna one night stand
tell the dj gotta play my song
beat is bangin there ain't nothing wrong
roll your booty cause I'm down tonight
tell me baby can i freak you right now
Bridge
girl i wanna rock your world
and give you till you go crazy
bring your body round tonight
say la la la la la la (oh)
Chorus
Senorita what you doin all night
mamacita you're the one i like
tell me baby does it feel so right
how about we have a one night stand
now i'm ready and the mod is right
i see a honey and her body's tight
i guess it's time for me to roll to dice
she's lokin like she wants a one night stand
pull up on her time to make her mine
let her know i'll make her satisfied
i'm feelin lucky like tonights the night
i wanna hit it till i make her feel right
Bridge
girl i wanna rock your world
and give you till you go crazy
bring your body round tonight
say la la la la la la (oh)
Chorus
Senorita what you doin all night
mamacita you're the one i like
tell me baby does it feel so right
how about we have a one night stand
everybody have a one nigt stand
grab a shorty take her by her hand
all my fellas are ya feelin loco?

all my chicas are ya feelin loco?
everybody have a one nigt stand

tell me baby does it feel so right
how about we have a one night stand
