

# Same Dumb Excuse (Nothing to Lose)

## Forever the Sickest Kids

I should be brave  
with nothing to lose  
That's how I was until the day I met you  
Now i`m afraid that I don`t know what to do  
A couple of things I really gotta tell you..

Dive off a cliff,  
jump from a plane  
All sound easier than what i`ve gotta say  
Go for a swim  
with sharks in the sea  
All sound easier than me tellin' it to ya' straight

I've got nothin' to lose  
I`ve got nothin' to lose for you  
If i`ve gotta say nothin'  
You`ll never hear the truth  
I can`t get to you with the same dumb excuse  
'Cause i`ve got nothin' to lose  
I`ve got nothin' to lose  
but you...

To get you to laugh, get you to smile  
Get you to tell the world that you`re on my side  
Make me a star  
at least in your eyes  
Let`s take on the world but first i`ve gotta make my mind

Dive off a cliff,  
jump from a plane  
All sound easier than what i`ve gotta say  
Go for a swim  
with sharks in the sea  
All sound easier than me tellin' to your face

I`ve got nothin' to lose  
I`ve got nothin' to lose for you  
If I can`t say nothin',  
you`ll never hear the truth  
I can`t get through with the same dumb excuse

'Cause i`ve got nothin' to lose  
I`ve got nothin' to lose for you

No, the words ain`t comin' out  
but tonight, it`s goin' down

I should be brave  
with nothin' to lose  
That`s how I was until the day I met you

I`ve got nothin' to lose  
I`ve got nothin' to lose for you  
If I can`t say nothin',  
you`ll never hear the truth  
I can`t get you with the same dumb excuse  
'Cause i`ve got nothin' to lose  
I`ve got nothin' to lose for you

I`ve got nothin' to lose  
I`ve got nothin' to lose for you  
No, the words ain`t comin' out  
But tonight, it`s goin` down  
I`ve got nothin' to lose  
I`ve got nothin' to lose for you.
