

# Forever

## Stratovarius

I stand alone in the darkness, the winter of my life came so fast  
Memories go back to childhood today I still recall  
Oh how happy I was then, there was no sorrow, there was no pain  
Walking through the green fields, sunshine's in my eyes I'm still there everywhere, I'm the dust in the wind  
I'm the star in the Northern sky  
I never stayed anywhere, I'm the wind in the trees  
Would you wait for me forever ? Oh yeah, oh yeah I'm still there everywhere, I'm the dust in the wind  
I'm the star in the northern sky  
I never stayed anywhere, I'm the wind in the trees  
Would you wait for me forever?
