Thank You Lord

B.J. Thomas

Thank you my Lord
For a beautiful day
Thank you my Lord
I'm so happy to say
Thank you my Lord
For the flowers that grow
There would be nothing I know
Without YouThank you my Lord
For the sun in the sky
Thank you my Lord
I'm so grateful that I
Thank you my Lord
For the rivers that flow
There would be nothing I know
Without YouFor all the music
And the songs that we sing
For all the laughter
And the joy that You bring
Thank you my Lord
I have nothing to fear
As long as I have You here
Beside meThank you my Lord
For the birds in the trees
Thank you my Lord
I am down on my knees
Thank you my Lord
For the rain and the snow
There would nothing I know
Without YouFor all the mountains
That You give us to climb
For all the valleys
Yeah I say one more time
Thank you my Lord
I have nothing to fear
As long as I have You here
Beside meAs long as I have You here
Beside me
