No Luck

Headfirst!

(Ahughhh)
Okay, ocean view, glass house
Room full of heaters
Dick game make a faithful bitch start cheatin'
A blessing to these hoes
Got em' prayin for no reason
Got real niggas with me and all my hoes conceited
I eat it, beat it, then tongue wash, clean it
A nigga start trippin, press em', cleaners
52 niggas lined up stay schemin
Turned ballerina when the bullets start hit me
Screamin' genius, firecrack your house
Put them bitches at your front door like a girl scout
Now you run to the back tryin' to find a way out
But there's no way out, nigga go and take a bow
Finish to my level, I part bury your coffin
Is God givin' it better, I'm hot, boiling kettle
T-bagging your bitch, I call it dipping my drizzle
I probably should take a picture, but she probably get offended
[Chorus]
I'm a good ass nigga, I don't need no luck
A good ass nigga, I dont need no luck
A good ass nigga, I dont need no luck
Fuck your bitch, now she walkin' with her nose up
I'm a good ass nigga, I don't need no luck
A good ass nigga, I dont need no luck
A good ass nigga, I dont need no luck
Fuck your bitch, now she walkin' with her nose up
I dream a genie, now pimpin' is easy
And the ghost make your bitch reappear like Houdini
Spendin' hours with that toast, get that bread like a birdie
Got a hoe like J-Lo, they call her Selena
Ridin' with that Nina, I meant in my stature
Couldn't entertain you, little know factors
Got 80 thou for the show in Alaska
Spent 40K on strippers in Atlanta
Fuck-off the weekend, Fuck it til' the weekend
I got hoes in my house, better believe it
Like killer camp, yeah, I really mean it

Gotta walk around butt naked in some valentinos
The new Nino, cancelled that bitch then I reload
Click-Clack, Boom, guess who entered the room
Straps on my side like Tune, Raidar
Patch your eye, I don't gotta try again later
[Chorus]
I'm a good ass nigga, I don't need no luck
A good ass nigga, I dont need no luck
A good ass nigga, I dont need no luck
Fuck your bitch, now she walkin' with her nose up
I'm a good ass nigga, I don't need no luck
A good ass nigga, I dont need no luck
A good ass nigga, I dont need no luck
Fuck your bitch, now she walkin' with her nose up
Ohhhhhhh, I'm better than you
I know it, know it
Yeah, I'm better than you
I know it, know it
I fuck it up, I fuck it up, I fuck it up
I know it, know it
She fuck it up, she fuck it up, fuck it up
I know it, know it
[Chorus]
I'm a good ass nigga, I don't need no luck
A good ass nigga, I dont need no luck
A good ass nigga, I dont need no luck
Fuck your bitch, now she walkin' with her nose up
I'm a good ass nigga, I don't need no luck
A good ass nigga, I dont need no luck
A good ass nigga, I dont need no luck
Fuck your bitch, now she walkin' with her nose up
