Along The Santa Fe Trail

Glenn Miller and The Army Air Force Band

Angels come to paint the desert nightly
When the moon is beaming brightly
Along the Santa Fe trail
Stardust scattered all along the highway
On a rainbow-colored sky way
Along the Santa Fe trail

Beside you
I'm riding every hill and dale
Wide shadows hide you
Just like a pretty purple veil
Thereby hangs a tale

I found you
And the mountains that surround you
Are the wall I built around you
Along the Santa Fe trail
