

Heart It Races (Spruce Lee Remix)

Architecture in Helsinki

And we're slow to acknowledge the knots in the laces

Heart it races

And we go back to where we moved out to the places

Heart it races

I bought it in a can and stirred it with my fingers singing

Boom dah dah dah dah dah

Boom dah dah dah dah

Threw it out the window

And lately you been tanned, suspicious for the winter with your

Boom dah dah dah dah dah

Boom dah dah dah dah

Legs like little splintersAnd we're slow to acknowledge the knots in the laces

Heart it races

And we go back to where we moved out to the places

Heart it races

I sold it to a man and threw him out the window

He went

Boom dah dah dah dah dah

Boom dah dah dah dah

Made his wife a widowBoom dah dah dah dah dah

Boom dah dah dah dah
