You'll Never Know

Shirley Bassey

(You'll never know)
You'll never, never know I care
You'll never know the torch I bear
You'll never know it, for I won't show it
Oh no you'll never, never know(You'll never know)
You'll never, never see me cry
Not even when you're glancing by
For I won't weaken, when we're speaking
Oh no you'll never, never know
You'll know the use to me
That I was before
You'll see the used to be
That one you did adore(You'll never know)
No, no I know I won't reveal
The way I really, truly feel
But if you guess it, I'll confess it
Oh darling now's the time to glow
Or else you'll never, never knowYou'll know the use to me
That I was before
You'll see the used to be
That one you did adore
(You'll never know)
No no I no I won't reveal
The way I really, truly feel
But if you guess it, I'll confess it
Oh darling now's the time to glow
Or else you never
No, no you'll never
Oh no you'll never
never know
(You'll never know)
