

# Stupid Girl

## Cold

Wanna love ya, wanna bug ya  
Wanna squeeze ya, stupid girl  
Wanna touch ya, wanna take ya  
Wanna shut ya, stupid girl I can't take this  
Born to break this She's going away, she's going away  
What's wrong with my life today?  
She's going away, she's going away  
What's wrong with my life today? Stupid girl  
Stupid girl I'm a loner, I'm a loser  
I'm a winner in my mind  
I'm a bad one, I'm a good one  
I'm a sick one with a smile I can't take this  
Born to break this She's going away, she's going away  
What's wrong with my life today?  
She's going away, she's going away  
What's wrong with my life today?  
What's wrong with my life today?  
She's going away, she's going away  
What's wrong with my life today? Stupid girl  
Stupid girl  
Stupid girl  
Stupid girl She's going away, she's going away  
What's wrong with my life today?  
She's going away, she's going away  
What's wrong with my life today?  
What's wrong with my life today?  
She's going away, she's going away  
What's wrong with my life today? Stupid girl  
Stupid girl  
Stupid girl  
Stupid girl
