We Come Running

Youngblood Hawk

We come running
We come running
We come running
We come runningUnder a pale blue sky
You never felt so cold
Another sleepless night
How could you ever let go
How do you recognize
A dirty face of gold
Behind that crooked line
Where you never knew youd goHeaded for the open door
Tell me what you waiting for
Look across the great divide
Soon theyre gonna hear
the sound, the sound, the sound
When we come running
Never go where we belong
Echoes in the dead of night
Soon theyre gunna know
the sound, the sound, the sound
When we come runningOooh woah oh, ooh woah oh oh
Oooh woah oh, ooh woah oh oh
Oooh woah oh, ooh woah oh oh
The sound, the sound, the sound
When we come runningWhen the worlds gone quiet (woah oh)
I see you dancing slow (woah oh)
Feelin satisfied
where you never knew youd goHeaded for the open door
Tell me whatchya waiting for
Look across the great divide
Soon theyre gunna hear
the sound, the sound, the sound
When we come running
Never go where we belong
Echoes in the dead of night
Soon theyre gunna know
the sound, the sound, the sound
When we come runningOooh woah oh, ooh woah oh oh
Oooh woah oh, ooh woah oh oh

Oooh woah oh, ooh woah oh oh
The sound, the sound, the sound
When we come runningDays go by
Feelin broken down
Remember, always remember (Oh, woah)
The sound, the sound, the sound
When we come running
The sound, the sound, the sound
When we come running
(In the background)
Headed for the open door Headed for the open door
Tell me whatchya waiting for Oooh woah oh, ooh woah oh oh
Look across the great divide Oooh woah oh, ooh woah oh oh
Soon theyre gunna hear Oooh woah oh, ooh woah oh oh
