

We Come Running

Youngblood Hawk

We come running
We come running
We come running
We come runningUnder a pale blue sky
 You never felt so cold
 Another sleepless night
 How could you ever let go
 How do you recognize
 A dirty face of gold
 Behind that crooked line
Where you never knew youd goHeaded for the open door
 Tell me what you waiting for
 Look across the great divide
 Soon theyre gonna hear
the sound, the sound, the sound
 When we come running
 Never go where we belong
 Echoes in the dead of night
 Soon theyre gunna know
the sound, the sound, the sound
When we come runningOooh woah oh, ooh woah oh oh
 Oooh woah oh, ooh woah oh oh
 Oooh woah oh, ooh woah oh oh
 The sound, the sound, the sound
When we come runningWhen the worlds gone quiet (woah oh)
 I see you dancing slow (woah oh)
 Feelin satisfied
where you never knew youd goHeaded for the open door
 Tell me whatchya waiting for
 Look across the great divide
 Soon theyre gunna hear
the sound, the sound, the sound
 When we come running
 Never go where we belong
 Echoes in the dead of night
 Soon theyre gunna know
the sound, the sound, the sound
When we come runningOooh woah oh, ooh woah oh oh
 Oooh woah oh, ooh woah oh oh

Oooh woah oh, ooh woah oh oh
The sound, the sound, the sound
When we come running Days go by
 Feelin broken down
Remember, always remember (Oh, woah)
 The sound, the sound, the sound
 When we come running
 The sound, the sound, the sound
 When we come running
 (In the background)
 Headed for the open door Headed for the open door
Tell me whatchya waiting for Oooh woah oh, ooh woah oh oh
 Look across the great divide Oooh woah oh, ooh woah oh oh
 Soon theyre gunna hear Oooh woah oh, ooh woah oh oh
 The sound, the sound, the sound Oooh woah oh, ooh woah oh oh
 When we come running When we come running
 Oooh woah oh, ooh woah oh oh Oooh woah oh, ooh woah oh oh
 The sound, the sound, the sound Oooh woah oh, ooh woah oh oh
 When we come running Oooh woah oh, ooh woah oh oh
