Joy

Obby Judah

Joy

1st verse
I know we all got problems (aye aye aye)
Sometimes we cannot solve them (aye aye aye)
So we scratch our heads in confusion (aye aye aye)
Trying to find solutions, solutions
But in the end/we all stuck in delusions
But in the end/Christ is our conclusion (aye aye aye)
Chorus
Woohoo /I got joy /I got joy/I got joy x2
Woohoo /I got peace /I got peace/I got peace in my soul
Woohoo /I m restored /Iâ€™m restored/Iâ€™m reborn
Iâ€™m feeling amazing /Iâ€™m feeling amazing / Iâ€™m feeling amazing
Iâ€™m feeling so great/ Iâ€™m feeling so great/ Iâ€™m feeling so great
The feeling is overwhelming me the second now
Coz I know that Iâ€™m a new born again
Bridge
When Iâ€™m feeling down/I get lifted up
Thereâ€™s no need to doubt /Coz joy comes/In the morning
And every time I feel weak I know I got strength from above
And I know that my God is guiding me in every step that I take
Coz I donâ€™t need no substance to make me feel good
Chorus
