

Crank Call

Billy Idol

If you're waiting for a call
It is double trouble the pressure of it all
This line is due for communication
Not if you've lost all reason
Crank call
Ain't no fun at all
They want love they want a pantomime
To cut you in two, that's a sexual crime
They dig the dirt they deal in
They dig the dirt they feed on
Crank call
Ain't no fun at all
Oh yeah, all right
Why waste time tonight?
Oh yeah, all right
Why waste time tonight
Oh yeah, all right
I'm mad, I'm all right
That tonight
We drop in you in heaven or hell
Ape has taken control
They're breakin' the kids
They're beating the bids
And that is all they feed on
Crank call
Ain't no fun at all
Oh yeah, all right
Why waste time tonight?
Oh yeah, all right
I'm mad, I'm all right
Oh yeah, all right
Why waste time tonight?
Oh yeah, all right
I'm mad, I'm all right
That tonight
Oh yeah, all right
Why waste time tonight?
Oh yeah, all right
She know I'm mad and I'm all right

Oh yeah, all right
Why waste time tonight?
Oh yeah, all right
I'm mad, I'm all right
That tonight
