

What you need

Nic Chagall

Oh yeah

If you belonged to me nothing else would matter
I'd give you the moon and the stars on a silver platter

Kiss you the way you should be kissed

And show you the kind of love that you missed

So hear me

Sweet baby

My heart won't lie

Oh no

What you need is what you get if you come to me

I'll give you love you won't regret I'll set you free

If you believe like I believe boy, you know it's true

Everything you need, I'll give to you

You've been alone too long baby, let me help you

Show you where your heart belongs you know I'd love to

Give you one thousand reasons to stay

Be the light in my window if you lose your way

So don't fear

Baby, I'm right here

I'll never leave you

What you need

What you need is what you get if you come to me

I'll give you love you won't regret I'll set you free

If you believe like I believe boy, you know it's true

Everything you need, I'll give to you

This is a promise you can keep

Just bring your broken heart to me

Baby, you know I'll always be the one you've waited for

The girl you've dreamed of just let me in and you'll see

What you need is what you get if you come to me

I'll give you love you won't regret I'll set you free

If you believe like I believe boy, you know it's true

Everything you need, I'll give to you
