

# Anyone's Ghost

## The National

Say you stayed home  
Alone with the flu  
Find out from friends  
That wasn't trueGo out at night  
With your headphones on again  
And walk through  
The Manhattan valleys of the deadDidn't want to be your ghost  
Didn't want to be anyone's ghost  
Didn't want to be your ghost  
Didn't want to be anyone's ghostBut I don't want anybody else  
I don't want anybody elseYou said I came close  
As anyone's come  
To live underwater  
For more than a monthYou said it was not inside my heart, it was  
You said it should tear a kid apart, it doesDidn't want to be your ghost  
Didn't want to be anyone's ghost  
Didn't want to be your ghost  
Didn't want to be anyone's ghostBut I don't want anybody else  
I don't want anybody else  
I don't want anybody else  
I don't want anybody elseI had a hole in the middle  
Where the lightning went through it  
Told my friends not to worry  
I had a hole in the middle  
Someone's sideshow wouldn't do it  
I told my friends not to worryDidn't want to be your ghost  
Didn't want to be anyone's ghost  
Didn't want to be your ghost  
Didn't want to be anyone's ghost
