## Fergie

Yea... Yea...

I know I know

It's true It's trueHey hey hey hey hey it's true

My my my my my love is true

Hey hey hey hey hey it's true

My my my my my love is trueHuh huh huh hu-uh huh I know this much is true

Huh huh huh hu-uh huh I know this much is TRUEHey hey hey hey hey it's true

My my my my my love is true

Hey hey hey hey hey it's true

So true funny how it seems

Always in time, but never line for dreams

Head over heels when toe to toe

This is the sound of my soul, this is the soundI know you love the way my love is (soundin')

From over there you could feel my heart(poundin')

Let me swim in your outermind (drownin')

Forever I'll be upside down (frownin')

I love you uptown, love ya (downtownin')

You could be my women, and I could be ya main man

And thats why I sat down and wrote this poem

Cuz I want the truth to be toldBoy you know I know that is trueWith a thrill in my head and a pill on my tongue

Dissolve the nerves that just begun

Listening to Marvin (all night long)

This is the sound of my soul, this is the sound

Ya I like the way your soul sounds to me

Ain't nobody do me the way you do me

I got the stamina for L-O-V-E

Whip out the camera lets make a movie

In the future we could look back at what we done did

We'll be makin love til we like a hundred

And thats why I had to remix this song

Cuz I want the truth to be toldBoy you know I know that is true

Huh huh huh hu-uh huh I know this much is true

Huh huh huh hu-uh huh I know this much is TRUEhey hey hey hey hey it's true

my my my my my love is trueYou know it's true

You know it's true

You know I love ya girl, you know it's true

You know it's true \*repeat

I know this much is true \*repeatYou know it's true

You know it's true \*repeat

This much is true  
This much is True  
You know I love ya girl  
I'm there for ya baby
