

# Scream

## Tokio Hotel

You get up and somebody tells you where to go to  
When you get there everybody's telling you what to do  
Thank you, it's been another bloody Monday  
And no one is asking what you wanted anywayScream, 'til you feel it  
Scream, 'til you believe it  
Scream, and when it hurts you  
Scream it out loudScream, 'til you feel it  
Scream, 'til you believe it  
Scream, and when it hurts you  
Scream it out loudWatch out, stay awake, they're lurkin'  
Obsess you, they are always workin'  
Promisin', everything you never asked for  
And one day it'll be too late and you beg for moreScream, 'til you feel it  
Scream, 'til you believe it  
Scream, and when it hurts you  
Scream it out loudScream, 'til you feel it  
Scream, 'til you believe it  
Scream, and when it hurts you  
Scream it out loudBack to zero, your time's about to come  
Let them know you're not just anyone  
Your time's about to comeScream, 'til you feel it  
Scream, 'til you believe it  
Scream, and when it hurts you  
Scream it out loudScream, 'til you feel it  
Scream, 'til you believe it  
Scream, and when it hurts you  
Scream it out loudShut up  
No, can't you feel it  
No, don't you believe it  
No, and when it hurts you  
Scream it out loudNo, no, no, no, no, no  
Scream it out loud, scream
