

# Numb (Live At the Mermaid Theatre)

## Pet Shop Boys

Don't wanna hear the news  
What's going on, what's coming through  
I don't wanna know, don't wanna know Just wanna hide away  
Make my my escape  
Just want the world to leave me alone Feels like I feel too much  
I've seen too much  
For a little while  
I want to forget I wanna be numb  
I don't wanna feel this pain no more  
Wanna lose touch  
I just wanna go and lock the door I don't wanna think  
I don't wanna feel nothing  
I wanna be numb  
I just wanna be, wanna be numb Can't find no space to breathe  
World's closing in right on me now  
Well that's how it feels, that's how it feels Too much light, there's too much sound  
Wanna turn it off, wanna shut it out  
I need some relief Think that I think too much  
I've seen too much  
There is just too much  
Thought in my head I wanna be numb  
I don't wanna feel this pain no more  
Wanna lose touch  
I just wanna go and lock the door I don't wanna think  
I don't wanna feel nothing  
I wanna be numb  
I just wanna be, wanna be Taken away from all the madness  
Need to escape, escape from the pain  
I'm out on the edge, about to lose my mind  
For a little while, for a little while  
I wanna be numb I don't wanna think  
I don't wanna feel nothing I wanna be numb  
I don't wanna feel this pain no more  
Wanna lose touch  
I just wanna go and lock the door I don't wanna think  
I don't wanna feel nothing  
I wanna be numb  
I just wanna be, wanna be numb numb  
Wanna be numb I don't want the madness

I wanna be numb
