[Kyuss](#)

Goddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitchGoddamn son of a bitch  
See the young ones play  
And say what you want to hearYou have a long legs, long hair  
Big tits, you got a big ass  
Your pots will never last, never lastGoddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitchGoddamn son of a bitch  
See the young ones say, well and play  
What they want to hear from youYou say you're not fucking with them  
You say they're not fucking with you  
Compete with them and you'll never win, never winGoddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitchWell, it's cold where we come from  
But not to make me freeze  
I look around me at what I see  
The world deeper than beforeThere's been a change in me  
Things are looking pretty blurry  
I keep on wishing she would awake me  
And tell me it was just a bad dream  
But I guess you're gonna be awakened  
Well, your already wakened to reality, yeahGoddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitch  
Goddamn son of a bitch
