# Navigating by the Stars At Night

## Mike Doughty

Live on the fat man's dime
Stevedores bear the chair you ride
Show mercy girl, show the ghost to me
Your ornament and gimcrackery[Chorus: x8]
Navigating by the stars at nightYou made your bones in these dicty 'burbs
Gritty days, they mocked the words you slurred
Lemonade gulped on balconies
Giggling strange birds in the trees[Chorus: x4]Medicating in a minivan [Repeat x4][Chorus: x8]Roll the road alone, roll the road alone
Roll the road alone, roll the road alone
The road alone, the road alone
The road alone, the road alone
