Trophy

Charli XCX

[Intro]
I wanna win
I want that trophy[Hook]
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo) I want that trophy
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo) I want that trophy[Verse 1]
Yeah bitch, I'm here to take that crown
Make you move it up and down
Pull up, pull out the tangerine dreams
Step out of that limousine
We walk in and we flossy
Your B keep it bink and we bossy
Hey, it's like I told you so, number one[Pre-Hook]
Take the crown, shut it down, 'bout to steal the show
Shooting star, I'm a boss like Marilyn Monroe
All the girls 'round the world, now we in control
All the girls 'round the world, one, two, three, let's go
Take the crown, shut it down, 'bout to steal the show
Shooting star, I'm a boss like Marilyn Monroe
All the girls 'round the world, now we in control
All the girls 'round the world, one, two, three, let's go[Hook]
I want that trophy
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo) I want that trophy
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo) I want that trophy[Verse 2]
Bitch, I'm here to fuck you up
Wanna make your bottle pop, ooh nah
I'm 'bout to drop, looking like "wow"
Spending cause we got this

These dollars all in my pockets
I'm like a diamond in the sky, so high
Bitch, I'm here to fuck you up
Wanna make your bottle pop, ooh nah
I'm 'bout to drop, looking like "wow"
Spending cause we got this
These dollars all in my pockets
I'm like a diamond in the sky, so high[Pre-Hook]
Take the crown, shut it down, 'bout to steal the show
Shooting star, I'm a boss like Marilyn Monroe
All the girls 'round the world, now we in control
All the girls 'round the world, one, two, three, let's go[Hook]
I want that trophy
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo) I want that trophy
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo) I want that trophy[Outro]
Throw it up
Throw it up
Throw it up
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo, woo) Throw it up!
(Woo) I want that trophy
