

I'm Left, You're Right, She's Gone

Shooter Jennings

You're right, I'm left, she's gone
You're right, I'm left all alone
Well, you tried to tell me so
But how was I to know
That she was not the one for me? You told me all along
You're right, our love was so wrong
But now I changed my mind
She broke the ties that bind,
And I know that she never cared for me Well, I thought I knew just what she'd do
I guess, I'm not so smart
Oh, you tried to tell me all along
She'd only break my heart
I'm left, you're right, she's gone
You're right, I'm left all alone
Well, she's gone I know not where
But now I just don't care
For now I'm falling for you If you'll forgive me now
I'll make it up somehow
So happy we will be
In a home just for three
And I'll soon forget her now I know Well, I thought I knew just what she'd do
I guess, I'm not so smart
Well, you tried to tell me all along
She'd only break my heart
Well, you're right, I'm left, she's gone
You're right, and I'm left all alone
Well, she's gone, I know not where
But now I just don't care
For now I have fallen for you
