

# Meds (FM4 Live Session 2006)

## Placebo

I was alone, falling free  
Trying my best not to forget  
What happened to us, what happened to me  
What happened as I let it slip I was confused by the powers that be  
Forgetting names and faces  
Passers by were looking at me  
As if they could erase it Baby, did you forget to take your meds?  
Baby, did you forget to take your meds?  
Baby, did you forget to take your meds?  
Baby, did you forget to take your meds? I was alone staring over the ledge  
Trying my best not to forget  
All manner of joy, all manner of glee  
And our one heroic pledge How it mattered to us, how it mattered to me  
And the consequences  
I was confused by the birds and the bees  
Forgetting if I meant it Baby, did you forget to take your meds?  
Baby, did you forget to take your meds?  
Baby, did you forget to take your meds?  
Baby, did you forget to take your meds? And the sex, and the drugs, and the complications  
And the sex, and the drugs, and the complications  
And the sex, and the drugs, and the complications  
And the sex, and the drugs, and the complications Baby, did you forget to take your meds?  
Baby, did you forget to take your meds? I was alone, falling free  
Trying my best not to forget
