

# Vintage Clothes

[Paul McCartney](#)

Don't live in the past  
Don't hold on to something that's changing fast  
What we are, is what we are and what we wear  
Is vintage clothes, vintage clothes, vintage clothes We jump up for joy  
Who cares if we look like a girl or boy  
What we are, is what we are and what we wear  
Is vintage clothes, vintage clothes, vintage clothes A little more, a little tall  
Check the rack  
What went out, is coming back Don't live in the past  
Don't hold on to something that's changing fast  
What we are, is what we are and what we wear  
Is vintage clothes, vintage clothes
