

All The Pretty Girls

Kaleo

All the pretty girls like Samuel
Oh, he really doesn't share
Although it's more than he can handle
Life is anything but fair, life is anything but fair Oh oh, oh oh ooh
Oh oh, oh oh
Just as soon as they turn older
He'll come and sweep them off their feet
It's only making me feel smaller
All the hidden love beneath So won't you lay me, won't you lay me down
Won't you lay me, won't you lay me down
Won't you lay me, won't you lay me down
You lay me, won't you lay me down All alone, alone again
No one lends a helping hand
I have waited, I have waited
Takes its toll, my foolish pride
How long before I see the light
I have waited, I have waited
For you to lay me down Sail on by, sail on by for now
They play naked in the water
You know it's hard, heaven knows I've tried
But it just keeps getting harder So won't you lay me, won't you lay me down
Won't you lay me, won't you lay me down
Won't you lay me, won't you lay me down
Won't you lay me, won't you lay Oh, won't you lay me, oh won't you lay me down
Won't you lay me, oh won't you lay me down
Oh, won't you lay me, won't you lay me down
Won't you lay me down Oh, I'll wait, I'll wait, I'll wait, I'll wait for you
Yeah, I'll wait, I'll wait, I'll wait, I'll wait for you
Oh, I'll wait, I'll wait, I'll wait, I'll wait for you
Oh, I'll wait, I'll wait, I'll wait, I'll wait for you For you to lay me, won't you let me down
