

Hook

PJ Harvey

I was blind, I was lame
I was nothing till you came
You said, "Babe, make you sing
Make you feel like some queen" Said, "I'll take you Kathleen
To your home and mine"
Lord, he hooked me
Fish, hook and line And rolled in, like him back
With a halo of deep black
Till my love made me gag
Called him, "Daddy, take my hand" Said, "I'll take you Kathleen
To your home and mine"
Good Lord, he hooked me
Fish, hook and line I'm hooked
Too far
Oh, ow, oh
Ooh beautiful
Ooh And I'm lame
Life is nothing with his chain
Daddy wait, she can't sing
She can't feel, she's no queen Said, "I'll take you Kathleen
To your home and mine"
Lord, he hooked me
Fish, hook and line Said, "I'll take you Kathleen
To your home and mine"
Good Lord, he hooked me
We are untied
