Romance

Black Egg

Romance me girl
Come dance with me girl
I needa girl that groovy (groovy)
Lemme take you to a movie
Yeahh girl
Romance me girl
Come dance with me girl
I needa girl that's groovy(groovy)
Lemme take you to a movie uhhh
Give a massage
Lemme enter your garage girl
Lemme crash into your bumper
Put me into your collage
The way I feel is a mirage
Heart beats like thunder
You won't regret it yes I said it
I swear every word I meant it
So just do what you do and I will love you
And you can count on meeee
Romance me girl
Come dance with me girl
I needa girl that's groovy groovy
Lemme take you to a movie yeah
Romance me girl
Come dance with me girl
I needa girl that's groovy groovy
Lemme take you to a movie uhh
Rub my belly
And play with my hair
Kiss me on my neck
Tell me what I wanna hear
Tell me you want me inside you
Don't take your tongue off my ears
Girl squeez it inside
Girl ride it right
Up and down and side and side
It's time to swallow your pride

Please don't be shyyyyy

Romance me girl
Come dance with me girl
I needa girl that's groovy groovy
Lemme take you to a movie yeah
Romance me girl
Come dance with me girl
I needa girl that's groovy groovy
Lemme take you to a movie uhhh
Give me a massage
Lemme enter your garage girl
Lemme crash into your bumper
Put me into your collage
The way I fell is a mirage
Girl heart beats like thunder
You won't regret it
Yes I said it

So just do what you do
And I will love you
And you can count on me
