Nothingâ€™s Gonna Stop Us Now

Starship

Looking in your eyes I see a paradise
This world that I found is too good to be true
Standing here beside you want so much to give you
This love in my heart that I'm feeling for youLet them say "We're crazy", I don't care about that
Put your hand in my hand, baby, don't ever look back
Let the world around us just fall apart
Baby, we can make it if we're heart to heartAnd we can build this dream together, standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us nowI'm so glad I found you, I'm not gonna lose you
Whatever it takes I will stay here with you
Take it to the good times, see it through the bad times
Whatever it takes is what I'm gonna doLet them say, "We're crazy", what do they know?
Put your arms around me, baby, don't ever let go
Let the world around us just fall apart
Baby we can make it if we're heart to heartAnd we can build this dream together, standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us nowAll that I need is you
All that I ever need and all that I want to do
Is hold you forever, forever and everAnd we can build this dream together, standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop us, nothing's gonna stop usAnd we can build this dream together, standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop usAnd we can build this dream together, standing strong forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each other
Nothing's gonna stop us, nothing's gonna stop us now
