

# Turn On, Tune In, Drop Out With Me

## Cracker

Come on, turn on, tune in drop out with me  
Baby you need a break so let's just run away  
Well I'm tired of coding perl, tired of VBA  
Maggie throw your law books away  
Turn on, tune in, drop out, give up with meNow picture thisI'm shopping in town for our homemade Agrarian  
fortress  
You're texting: Corian, granite or tile kitchenette in the gun nest?  
Well we'll find a little meadow high up in the Cascades  
Baby we won't ever come down  
Turn on, tune in, drop out, give up with meTurn on  
Tune in  
Drop out  
With me  
The whole thing's coming down so let's just get out of the way  
Well I'm not paranoid there is no conspiracy  
But I swear Big Brother's watching me  
Turn on, tune in, drop out, give up with meSo you're serving aperitifs to the local survivalist militia  
In camouflage you're fine but the locals still call you Morticia  
Well we'll find a little meadow high up in the Cascades  
Baby we won't ever come down  
Turn on, tune in, drop out, give up with meBuy a little cabin in the Adirondacks  
Baby they'll never find us  
Turn on, tune in, drop out, give up with meHand stitch your tee pee  
With the east Mojave  
Watching for black helicopters  
Turn on, tune in, drop out, give up with me.
