Divinefire

Divinefire

My Life Is Not That Easy
As It Seems
I Try To Do The Best I Can
To Serve Your NameI Look Up To The Sky
And I Raise My Voice
And Pray For Wisdom
Give Me Answers To My QuestionsDivinefire
You Give Me Eyes To See
Divinefire
Give Me Love For The Broken OnesDivinefire
I'll Serve You Night And Day
Divinefire
My Life Belongs To YouHow far Can I Go
Before it is too late
My Ego Wants It AllI Look Up To The Sky
And I Raise My Voice
And Pray For Wisdom
Give Me Answers To My QuestionsDivinefire
You Give Me Eyes To See
Divinefire
Give Me Love For The Broken OnesDivinefire
I'll Serve You Night And Day
Divinefire
My Life Belongs To YouDestroy my ego
Destroy, destroy
Destory my ego
Destory, destroyDivinefire
It Give Me Eyes To See
Divinefire
Give Me Love For The Broken OnesDivinefire
I'll Serv You Night And Day
Divinefire
My Life Belongs To You
