Ref:

Sleepy eyes
43 flip still in your breath
Wake up smile
Your looks such a mess
Church service
Two non-believers here to confess
Embarassed christians
I'm still in my Saturday night dress

Let me take you back to where it all began

Verse 1:

Dancing flames
Inhaling various smokes
No frames
For our pictures nomore

Lost in motion
Lost in letting yourself go
We swim in the same ocean
Oh, didn't you know?

We follow the white rabbit
Straight to wonderland
Meet a queen of hearts
And a clock with some hands

Tell-us Alice on the wall
She won't let us fall
But after all, the white king
the only one we can recall

Tik tik tik tak

Verse 2:

It gets even better
the second time around
You let us fly
On your impressive massive sounds

We're lost in motion
Lost in letting ourselves go
We swim in the same ocean
And now we all know, yes don't we all know

Soul explosions
Brown, curly hair
You meet a queen with a heart
And I someone who always plays fair

Deep looks please your eye
We drown in a feeling
A feeling so high
But after all,
these precious moments
The only thing we can recall

Sleepy eyes
43 flip still in your breath

Embarassed christians
I'm still in my Saturday night dress
