Hey Lags! Nice Slacks

Captain Everything!

There's something I don't understand
About the things that you just said
Yeah-heh, yeah-heh
When I just sit and talk and laugh
And smoke another cigarette
Sometimes it's easy to sit back
And think of how things used to be
Sometimes it's easy to sit back
And never think at all
To never think at allThere's something I don't get
About the way you do those things you do
Yeah-heh, yeah-heh
When I just talk and laugh
When all day long I'm thinking about you
Sometimes it's easy to sit back
And think of how things used to be
Sometimes it's easy to sit back
And never think at all
To never think at allYou can't say it's getting easy
When it gets harder every day
You can't say it's getting easy
When it gets harder every day
It gets harder every day
There's something I don't understand
About the things that you just said
(When it gets harder every day)
Yeah-heh, yeah-heh
When I just sit and talk and laugh
And smoke another cigarette
(When it gets harder every day)
Please don't tell me that you're getting bored of it
Getting bored of it
Getting bored of it
