Sleeping With the Enemy

The Oppressed

You said you were one of us
We really thought you had the suss
But all your talk of skinhead pride
Meant nothing when the skinhead diedYou're sleeping with the enemy
Sleeping with the enemy
Sleeping with the enemy
Sleeping with the enemy
The enemy
People think we're all the same
It's you who put us in the frame
Your apathy is full of shit
You made your bed, you better lie in it2x: You're sleeping with the enemy
Sleeping with the enemy
Sleeping with the enemy
Sleeping with the enemy
The enemyThere's one thing that makes me sick
It's when you cry non-politic
If you won't face reality
You're sleeping with the enemy
You're sleeping with the enemy
Sleeping with the enemy
Sleeping with the enemy
Sleeping with the enemy
The enemy
