

# My Ding A Ling

Chuck Berry

(Sing this one with me, Everybody sing this one, I wanna hear everybody join in)

When I was a little bitty boy  
My Grandmother bought me a cute little toy  
Silver bells hanging on a string  
She said it was my Ding a ling a ling  
Oh my ding a ling, Everybody sing  
I wanna play with my ding a ling a ling  
Oh my ding a ling, my ding a ling  
I wanna play with my ding a ling a ling

(I forgot to tell you it's a little jerk, Right there, A little jerk in it, Right there, Can't do without that jerk, Yeah)

When I started Grammar School  
I used to stop off in the vestibule  
Every time that bell would ring  
I'd take out my ding a ling a ling  
Oh my ding a ling, Everybody sing  
I wanna play with my ding a ling a ling  
My ding a ling, my ding a ling  
I wanna play with my ding a ling a ling  
(Here come that jerk again, Mmh, Does something good to ya)  
Humpty Dumpty on the wall  
Humpty had an awful fall  
When they went to tell the king  
Caught him playing with his ding a ling  
Oh my ding a ling, my ding a ling  
Come on now everybody sing  
My ding a ling, my ding a ling  
I wanna play with my ding a ling

(Oh yeah, got something to it)  
I remember the girl next door  
We used to play house on the kitchen floor  
I'd be king, she'd be queen  
Together we'd play with our ding a ling a ling  
My ding a ling, Oh my  
I wanna play with my ding a ling a ling  
(Mmh)

When they took me to Sunday School  
Tried to teach me the golden rule  
But every time the choir would sing

Catch me playing with my ding a ling  
Oh my ding a ling, my ding a ling  
I wanna play with my ding a ling  
My ding (That's right), my ding a ling  
I wanna play with my ding a ling a ling  
(You know, I didn't hear everybody singing, Everybody joins in on that chorus)  
This here song, it ain't to sad  
Cutest little song you ever had  
Those of you, who will not sing  
You must be playing with your own ding a ling  
Oh my ding a ling, my ding a ling (Come on now, Come on now, Everybody sing)  
Now my ding a, oh my ding a  
I wanna play with my ding a ling  
(Oh yeah, Oh yeah, Oh yeah)
