

Dio

Tracy + The Plastics

Dio has rocked for a long, long time
Now it's time for him to pass the torch
He has songs of Wilder Beasts and dangers
He has soared on the wings of a demon
It's time to pass the torch
You're too old to rock, no more rockin' for you
We're takin' you to a home
But we will sing a song about you
And we will make sure
That you're very well taken care of
You'll tell us secrets
That you've learned
Your sauce will mix with ours
And we'll make a good goulash baby
Dio, time to go, you must give your cape and scepter to me
And a smaller one for K G, go, go, Dio, Dio
