Parallel Lives

Altar Eagle

If they could dream, like I dream
They would melt
Into puddles and sugar and milk
Sugar and milk
Inside this dream that I dream
Is my life

Dream on
Dream on, Dream on
Dream on
Dream on, Dream on
Dream on

If they could dream, like I dream
They would melt into dust
They would melt into earth
They would melt into air

If they could dream, like I dream
They would melt in the night
Like thereâ€™s no other way
They would take on the moon
That whole darn moon

Inside this dream that I dream
Is my life

Dream on
Dream on, Dream on
Dream on
Dream on, Dream on
Dream on

Dream
Dream
Dream
Dream
Dream

If they could dream, like I dream

They would melt
Into puddles and sugar and milk
Sugar and milk

Dream on
Dream on, Dream on
Dream on
Dream on, Dream on
Dream on
