Hoe, kill that nigga, hoe!

....w-w-w-w-will blast if a.....

[DJ Paul] Say hello to three 6 mafia (..??..) through the mask we be watchin ya
And we quick to beat a bang bang a rookie, huh
Trip a like a cookie before you know it
You'll be sayin' Killaman is too fast
[Gangsta Boo] You got Miss Lady Gangsta Boo
Comin to you with a whole buncha shit that's gon fuck your ass up
Nigga, nigga, nigga, nigga, nigga,
Get buckwild in this muthafucka
Let me see ya do your stuff
[Juicy J/Da Juice]
Yeah, yeah, yeah, yeah
Will blast if a muthafucka have to
Tie your body up with the string from your tennis shoes
Juicy J, in the house, puffin on a light cool
Those who wanna step to the click, it's a murder fool
[Crunchy Black] Who I be, Crunchy Black
You'll know who I am when I come up from the back
Kickin doors, makin hoes, layin down
'cause I gotta have a muthafuckin prophet back
[Lord Infamous/Scarecrow] I'm the wicked Lord Infamous, the Scarecrow
Demons be dancin round my throne
Gotta know why everytime I see your face
I'ma spray like (?), bring it on (?)
[Koopsta Knicca] Who that be between them trees tryin to take a peek at me
(??) if you from these other realms
I tell you Koop have nothing left
