

Down Boy (radio edit)

Holly Valance

(Down boy, keep down boy)I'm the one that you would die for

The one you long to touch

The one you live a lie for

I know this muchThe more you see

The more you want

The more you taste

It just gets better

The more you get

The more you like it

Don't go too far, I won't let you[Chorus:Repeat x2]

Down boy, won't you bring me

Down boy, got to keep you down

If you want me with you

Down boy, won't you bring me

Down boy, got to keep you down

Some things I just won't doDo anything to please me

I got you where I want

I know how much you need me

Just want to get it onThe more you see

The more you want

The more you taste

It just gets better

The more you get

The more you like it

Don't go too far I won't let you[Chorus:Repeat x2]Gotta keep you down

Down boy

Gotta keep you down

Down boy

Gotta keep you downSome things I just won't do [Repeat x4]The more you see

The more you want

The more you taste

It just gets better

The more you get

The more you like it

Don't go too far

I won't let you[Chorus:Repeat x2]
