

Turn Me On

Accept

I can't wait to get you down on the dirty door.
I know it ain't a place, but come on and close the floor.
I'm coming down for pleasure, for head games all night long.
Yes indeed, I wanna have it now, all what you've gotta give
I'm coming to the point where I can't hold myself.
You shouldn't hold me back; it has to be done.
Please turn me on, turn me on; I can't hold it.
Please turn me on, turn me on; I explode.
Would be good to do it in the nice way,
but sorry, I ain't got no time.
I know you would like some light, but sorry, here's no lamp.
So please don't stop the feeling. Please come close to me.
I've got to feel your hand to bring it to an end.
I'm coming to the point...
Baby, that was a hot lick, but someone's banging the door.
Believe me, I'm sorry to stop you, but I'm coming back for more.
It was more than I could ask for. Sorry, babe; I gotta go.
Guess there's more than two now who wants to break the door.
Please babe, I've gotta go. You have been really good.
I know you want some more, but what can I do? Let's go ahead!
