Apologies

Spain

How did we
End up here
In the heart of
Beverly HillsApologies
ApologiesI meant to call
You right back
On the phone
I never did
I was trying
I was tryingThere was a witness
There was a witnessUp at the top
Of the stairs
There's a wake
The party's all thereI hear laughing
I hear laughingColors flow
From below
That's the show
The one we chose
We were denied
We were deniedThere was a witness
There was a witness
