Cant Tell No One (Negative Approach)

F-Minus

[Originally by Negative Approach]people try to tell me what they think is right for me
think there's some value to what they got to say
but i won't listen to them
idon't need their advice
i wouldn't ever have it any other fucking waycan't tell no one what to do [x4]rules are made for idiots people that can't think
i'm treated like i don't have a mind of my own
stupid fucking idiots with stupid fucking ideals
when will they ever fucking leave me alone
