

# Daydream (Bob Harris Session)

[Robin Trower](#)

We were laughing in a daydream  
With the world beneath our feet And the sun shined on the water  
Where the skies and the ocean meet We were spellbound  
Ohh spellbound We were listning down a rainbow  
As the leaves fell to the ground Whiperling as we tumbled  
And the wind laft at the sound We were spellbound  
Ohh spellbound We were spellbound  
Ohh spellbound We were children in the garden  
Where the flowers kiss the sky And the birds sang out and wonder  
As the day went sailing by We were spellbound  
Spellbound  
Ohh spellbound  
Spellbound  
Ohh
